

## REMARKS

The Applicant submits the following election with **traverse**.

The examiner has required that the Applicant elect one of the following groups of claims for prosecution in this application:

- I. Claims 1-10; and
- II. Claims 11-21.

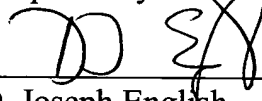

Applicant provisionally elects to prosecute the claims in Group I with **traverse**.

Applicant has amended Claim 11 to recite that the system comprises, *inter alia*, "at least one selectively movable evaporator." Applicant has added Claim 22 generally directed to a system for producing optical filters comprising multiple substrates, an ion source, at least two selectively movable evaporators, and a source deposition location.

Reconsideration and withdrawal of the restriction requirement is solicited.

Consideration and allowance of all claims is solicited.

Respectfully submitted,
